RE: INSTRUCTIONS FOR KEA SCHOLARSHIP APPLICATIONS

1. All applications must be typed. **Do not fold any pages of the application.**
2. You must have TWO typed and signed letters of recommendations.
 - A. One may be from an East Kentwood High School staff member.
 - B. **One must be an outside recommendation** (i.e., someone with whom you have worked or someone who can describe unique characteristics you possess).

Our suggestion: Do not wait until the last minute to ask a person for a recommendation. Give others the courtesy of sufficient time. Allow a minimum of one week but try for two weeks' notice. People are able to do justice to a recommendation when given adequate preparation time. **Do not fold the letters of recommendation.**

3. **ESSAY.** The essay is to be based on the following topic: *Describe in detail one way you could benefit the Kentwood community or affect positive change in the Kentwood community.* We will be looking at your ideas and how well your writing expresses your thoughts. Grammar, spelling, and rhetoric are important. Be sure that all pages of your essay are typed and each page has your name on it.
